## INDEPENDENCE DAY

Fourth of July

Independence Day, commonly called the Furth of July, is the holiday commemorating the adoption of the Declaration of Independence.

During the American Revolution, the legal separation of the American Colonies from Great Britain occurred on July 2, 1776, when the Second Continental Congress voted to approve a resolution of independence. After voting for independence Congress turned their attention to explaining their decision and on July 4, 1776, the Declaration of Independence was signed.

## GUEST MONTH

Membership Chair, **TONY SALAS**, has challenged each member to bring at least one guest to a meeting during the month of July. Who will you be inviting? If you haven't thought about it, start thinking right away and make plans.

Tony tells us that if every member brought one guest the percentages say that we would gain, at least, 8 new members for our club. Only you can help make this a reality.

## THE ELIMINATE PROJECT
## Maternal/Neonatal Tetanus (MNT)

This is the new Worldwide Service Project of Kiwanis International. This disease kills an estimated 60,000 newborns and 30,000 mothers each year

MNT is easily prevented by a series of 3 vaccinations to women of childbearing age, costing approximately $1.80. The goal of Kiwanis is to raise $110 million during the next 5 years. More later.
